

Commemorative Park Benches: \$2,000

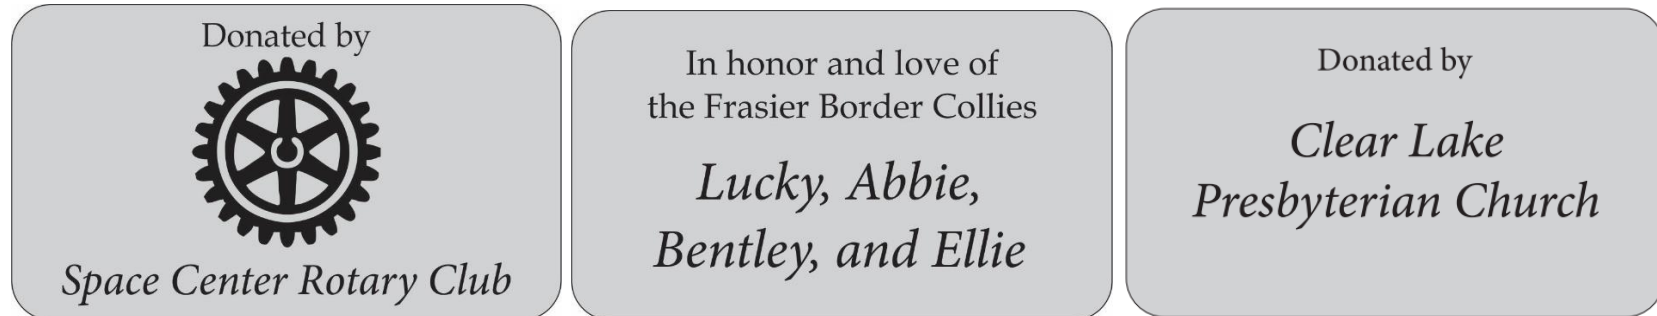

If you'd like to make a bench donation, your donation funds can be provided via check (and sent in the mail with the form attached at the back) or done via [our online donation site found here](#). The donation associated with a bench is \$2,000. The \$2,000 donation includes cost of bench, concrete slab, plaque with inscription, shipping, assembly, installation and incidentals.

Bench Inscription

When you donate a bench, an inscription can be added that will be written onto a stainless steel plaque and placed onto the bench. The inscription guidelines are as follows:

- Approximately 3-4 lines of text
- About 30 characters per line, but have flexibility with font sizes
- You can add images to your plaque as well

Some examples are given below.

You will have a chance to proof the plaque design before we make it, so you can 100% make sure it's what you want!

Locations

As of September 3, 2021, benches are available to donate in Sections 3B, 4, 5 and near the Section 1 parking area. For Sections 3B and 5, specific location of benches have not been finalized and will depend on the completed excavation. However, a donor may suggest a particular location for the bench in these sections if desired.

Installation

Upon payment receipt, the bench will be ordered, assembled, and installed with plaque attached. Donors will be notified once bench is installed. Lead time to acquire and install bench is about eight weeks, however EGC cannot guarantee a specific installation date. Donors may not modify the bench or add additional plantings, flowers, or permanent decorations to the area. The bench and plaque inscription may be publicized in the Exploration Green newsletter and website along with a picture if available.

DONATIONS honoring a person, event, or entity are the energy behind Exploration Green Conservancy's (EGC) mission to provide your 200 acre conservation green space in the heart of Clear Lake City. EGC encourages either monetary gifts or the donation of our carefully selected amenities.
